

Healthy Grins Always Win!
Visiting your dentist has never been this rewarding!

Dear Patients, Friends and Family:

Prepare for a contest that will leave you smiling! That's right! All it takes is a visit to your general dentist and a simple signature to be entered in our drawing for a fabulous reward!

Make an appointment to visit your general dentist for a routine visit and you could win a great gift on us. It's our way of showing appreciation for your commitment to healthy teeth and gums, and it's sure to be one of the best contests you'll ever enter.

Included with this letter you'll find our special ***Healthy Grins Always Win!*** dental card. Simply take it with you to your dental appointment, have the card signed by their office and return it to us for entry into our reward drawing! And the best part? You'll be rewarding your dentist's office too. Not only will the winning patient receive a reward, the office responsible for the careful check-up will also receive something special. It's a simple way to thank you and our dental partners for taking such complete care of your beautiful smile.

We encourage you to take advantage of this special promotion by making your dental appointment today. We look forward to seeing your name in our drawing!

Sincerely,

Dr. Kathleen Hwang
